A Bowen Therapist's methodology

Using minimal touch, a practitioner makes gentle, precise, Bowen moves over tendons, muscles, and nerve bundles. These Bowen moves help to bring the body into balance, thereby promoting healing and wellbeing.

Bowen therapy is appropriate for people of all ages, in all degrees of health.

Why study Bowtech Bowen with Bowen Training Australia?

Having been the industry standard for Bowen therapy since it was first taught in December 1986, courses have been continually upgraded and evolved to meet the high quality standards of education in Australia, whilst maintaining the integrity of the original Bowtech technique.

Completion of the only nationally recognised Bowen course offered in Australia*, enables you to practice as a Bowen therapist in Australia.

We Offer

- Small classes to support your learning
- Hands-on tuition for all body work units
- Distance learning for assessments

Testimonial

“Studying Bowen has enabled me to leave what has been my career for the last 25 years and start a new path that mirrors how I feel about life, health and healing.

I look forward to developing further in this amazing modality, meeting other practitioners and continuing to be inspired by how Bowen has changed people's quality of life.”

Study Breakdown

Practical In-Class Modules

This comprises 7, 2-day, Trainer and Assessor-led classroom modules that need to be completed in sequence.

Module 1 introduces you to the Bowen moves, relaxation procedures and the power of Bowen as a healing modality. Modules 2 to 7 take you step by step through the Bowen training, introducing new procedures to address a wide range of problems that clients may present with. Each Module is delivered over 2 days, with each training day considered to be 8 hours.

Distance learning

Also referred to as “training package units” in our course competencies, there are 8 units to be completed through 12 distance learning assessments.

You Will Need

Internet access is required to download distance units. Access to an electronic device with the Microsoft suite - Word (2013 or later), PowerPoint and Excel. To assist your learning journey, support is available from your Trainer and Assessor and BTA assessors.

Testimonial

“A life changing moment set me on my path to learn Bowen back in 1998. Bowen treats the whole body on so many levels with amazing results. After some time away, I resumed study in 2012 to find that BTA had not only preserved the integrity of this wonderful modality, they enhanced the learning, allowing students to form a solid foundation as a Bowen professional. I cannot wait to see where my journey goes and cannot thank the instructors, BTA and Bowen practitioners enough for their support in keeping the journey exhilarating. I look forward to a lifetime of learning in Bowen Therapy. Everybody is better with Bowen!”

Assessment Marking: The marking of your assessments can take a maximum of 21 business days. Once marked, your results will be sent to you via email in an attached document.

Qualification: Certificate Issuance can take a maximum of 30 calendar days. Once issued, an electronic copy of your qualification will be sent via email and the hard copy will be posted to your residential address.

TRAINING SCHEDULE OPTIONS

Required Completion Timeframe & Study Commitment

Practical Modules and Distance learning units will be completed concurrently and according to the Training Plan issued at enrolment. Students who complete the tasks at a faster pace can continue to work through the remainder of the tasks listed on your Training Plan, with the exception of Work Within a Bowen Therapy Framework, Anatomy workbooks 4, 5 and 6, as you will need to have knowledge learnt from your Module 4, 5, 6, practical classes to complete these assessment tasks.

PLEASE NOTE: Students **will not be able to move to the next practical module** if they have not purchased and are working on **or** completed the assessment tasks relating to their training plan.

The Certificate IV in Bowen Therapy **must** be completed within **18 months**. This timeframe allows plenty of time to revise and consolidate techniques between modules. The minimum time for completion of the 7 practical modules is the equivalent of **one Module Pack per 8 weeks**. We recommend each student should complete their practical modules within 12 months as per the Training Plan. The completion of the logbook hours and case studies may take longer. Students will be required to complete the theory units alongside the practical modules as outlined in the Training Plan.

PLEASE NOTE: Minimum class numbers are required for the classes to go ahead.

TAKING THE FIRST STEP

Step 1: Contact your preferred Trainer and Assessor via phone or email and attach the completed Expression of Interest form (attached). Contact Details found on the instructor page of our website: <https://bowentraining.com.au/about/bta-trainers-and-assessors/>

Step 2: Your Trainer and Assessor will email the enrolment kit to you. Complete the enrolment forms below and email to your Trainer and Assessor with a cc to studentservices@bowentraining.com.au

- Pre-Enrolment Questionnaire
- Enrolment Form
- Terms and Conditions
- Language Literacy and Numeracy

Step 3: Once enrolled you will receive an email with your Welcome Letter and Training Plan attached. This will give you access to purchase and complete your preparation theory units prior to attendance of Module 1.

Step 4: We recommended confirming your Module 1 attendance with your Trainer and Assessor to ensure you have received all the relevant information as to time, location and what to bring to your class.

Step 5: You're enrolled and ready to begin your new journey!

FUNDING FOR STUDENT FEES

Students considering income support such as **Youth allowance** or **Austudy** should contact Centrelink to discuss eligibility.

Students considering income support such as **Skills Checkpoint for Older Workers Program** should contact Skills Checkpoint to discuss eligibility. The Australian Government provides up to \$2,000 (incl. GST) to co-fund training to help mature age Australians to update their skills and remain in the workforce longer.

Prior to enrolment, please inform the office if you would like to explore the option for Centrelink or Skills Checkpoint assistance.

Bowen Training Australia wishes you all the success on your Bowen journey.
